### Art

#### 1. See Joanna Malinowska's Not a Metaphorical Forest

*Humans and nature collide.*

A beaver lodge made of discarded Christmas trees worms its way into your mind, while a row of tools made by the artist tunes you into this totally do-it-yourself eccentric visionary. Funny and philosophical, the works by Malinowska are a reminder that with only imagination and will can human beings change the world. —Jerry Saltz

*Canada, 333 Broome St., through March 12.*
