★ **LILY LUDLOW** Best known as a designer for *Imitation of Christ* and *Somnus*, Ms. Ludlow offers a handful of draftsmanly paintings for this solo show. Done on faint dark lines on a white ground, each group picture presents nude, semi-classical figures entangled in what appear to be ethereal, sadistic ballets. Canada, 55 Chrystie Street, Chinatown, (212) 925-4631, [canadanewyork.com](http://canadanewyork.com), through May 13. (Cotter)
